- They are payable on the website

V. Principal Burnett

- PTA funds were able to purchase web cams, bluetooth mics, and secondary monitors
- Many thanks from the staff

a. Update on transition to hybrid

- Shifting from one path to three different paths: virtual and two hybrids
- This will be a big transition
- Hybrid -
 - Face-to-face Math and English Language Arts
 - More gym availability in morning and afternoon
 - Support with unfinished learning, Special Education, ELL, Gifted and Talented
 - 5th grade students may have opportunity for virtual lessons in band or orchestra
 - Opportunities for social and emotional learning
- Learning at school days:
 - Hybrid will not receive all instruction through Teams
 - Time maximized with hybrid students
 - Teachers will cover 10 content lessons over a two-week spread for both Reading and Math
- Learning at-home days:
 - Students have the option to join Teams meetings/lesson to review lessons - can also preview lessons
 - Office hours available
 - Students can use Canvas to guide independent practice and learning

- School Hours: 7:45 - 2:40 doors open at 7:30
- Wednesdays are full days
- Will be ready to switch back to 100 % virtual in the unfortunate circumstance that the school needs to close

New Nurse - Krysten Williams

- Krysten thanked the PTA for help in getting started

Questions:

Q: Will masks be provided? Have a number of disposable masks in case they are forgotten. Please bring masks. Masks and as much social distancing as possible will be the strongest mitigation strategies

Q: Is there a preferred brand of mask? CDC recommends cloth or surgical disposable kind. Feel free to reach out to Mrs. Williams if any questions on a brand or type.

Q: How will circle drop off and pick up work, if differently than normal? Drop off in front of school - three different entrances from each age group.

Q: What can we expect for notifications from the school if there are positive covid cases among students or staff? Mrs. Williams will call you directly if your child is a close contact - a close contact is following Polk County Health - if your child is in contact with < 6 ft for 15 minutes.

Q: We've really enjoyed our virtual learning experience!! One thing we've missed is All School Sing. Any chance we'll be able to have a virtual option?

Will bring them soon - working on the logistics to get them on calendars

Q: Are we doing anything for presumed positives? I never tested positive, but I definitely had it for most of June. Are we requiring kids to stay home while they wait for tests? - If you or anyone in your home has any symptoms, quarantine. Get tested if possible.

Q: Any thoughts on second semester or when we would know of changes? No real timeline at this time - want to get the kids back in the school as soon as is safe.

Q: Are the screenings required and documented before coming in? Please check yourself and children - Symptom screening tool is available on the Falcon File

Q: Drop-off by parking and walking to door? Still possible but be mindful with masking and social distancing

Q: Will pick up at the end of the day be in the back of the building for 9/10s this year? Pick up will be in front as each age group will come from different doors

Q: Will the school accept donated wipes, etc? Mrs. Williams has an amazon list and will use SchoolCNXT for links for needed items. Generally, lysol spray is currently preferred to wipes

Q: Expectation to bring laptops everyday? Yes, bring laptops back and forth, hopefully fully charged. Remember to also send the charger everyday.

Q: Should we be getting school supplies for the class? The individual student? Should be good for now. Will send out the request if and when the need to there
